Clothing to Donate?

Did you know people can access gently-used clothing from Second Street's **Clothing Cupboard**? The Clothing Cupboard is located upstairs in the Community Room and people are welcome to take the clothes they need.

We accept donations of clean and gently used clothing, shoes and linens at our community office. We have a new partnership with Big Brothers so clothing donations are very welcome and will benefit families in the community. Please feel free to bring in good quality used clothes and help your neighbours and community with this important service.

This is a play-based program for you and your child to learn and play together. Take this magical time to come and join us for story, music and gym time everyday and more! Family literacy encompasses the ways parents and extended family members use literacy at home and in their community. The Centre is a classroom full of energy and a place where everyone feels welcome. It provides children with a strong sense of belonging, building confidence for your child as they enter school. This is a chance for children to build social and emotional literacy skills and begin the road towards a lifelong love of reading!

We have lots of need for volunteers at Second Street.
