#### A Note from the Community Office:

#### **Our Annual Hamper Project - A Caring Community Working Together**

Thanks, are very much in order, for the many community members, partners and organizations who came together to support the families in need in this community. Once again, we came together as a caring community to support our neighbours in need. This past holiday season, we created hampers for almost 100 families. In each hamper, because of the generosity of individuals and organizations, we gave \$50 - \$75 in gift cards, a toy for each of the children in the family, and 3 – 4 bags of groceries.

About a dozen of our families most in need, were directly sponsored by local organizations and groups, as well. As we all know, prices have been steadily rising and costs for families have increased dramatically. These hampers were very much appreciated by the dozens of families who received them. Once again, please accept our most sincere gratitude for your help with this annual "labour of love". You have eased the stress of many parents, and when parents are feeling more at ease and able to meet the needs of their kids, those kids feel that ease and peace, as well. There are so many people involved in this endeavour – which is part of the beauty of it – as not only is this a project that creates community support, it is also a several week event that creates community engagement, as it brings so many people together in the planning, the communicating, the shopping, the gathering, the wrapping, the assembling, the labelling and the delivering of these hampers. A special thanks goes to:

- Second Street Community and Parent Council, and Eastside Opportunities (Kidslink) for being the backbone of the project and funding
- ❖ Margaret Widmer (and team!) for helping the community Office lead this beautiful project!
- The Guru Nanak Free Kitchen for supplying gifts for ALL the children on the list!
- Save-on-Foods at Highgate for the low price on the fresh food items!

- Tina and Keith Klimko for being shopping superstars!
- The following organizations/groups for directly sponsoring families:
  - ★ Refrigerated Supply
  - ✦ Grand and Toy
  - → St. Albans Church
  - → Grace Lutheran Church
  - → Marilyn and friends
  - + Burnaby Principal, Teresa Veltri, and her many elves for the deluxe student and family gifts!
- ❖ Janice Cole for her Gingerbread House that is the top prize for our raffle (proceeds going to hampers), and also Home Hardware, and Me'n'Ed's Pizza, for donating prizes!
- Ecole Cariboo Hill for their toy drive!
- Neighbours and staff members for their generous donations of items and funds!
- The Burnaby Firefighters Local 323!
- Burnaby Alliance Church!
- New West Christian Reformed Church!
- Armstrong PAC!
- Burnaby Lions!
- Lougheed Lions!

Our many wrappers, helpers, shoppers and deliverers! It is inspiring to be part of this wonderful community. Thanks to all who have shown such love and kindness. Happy and healthy new year to everyone!

Together Strong,

Gayle Beavil

Book Swar

#### Second Street Library Book Swap

On **Wednesday, January 24**, the Second Street library will be hosting a book swap once again!

At the book swap, every student in the school will be able to take at least 1 book home to keep. We are asking for your help. If you have any gently used children's books at home that your family no longer wants, please donate them to our book swap. We will make sure they find a happy new home! We need all levels of children's books, but are particularly short on chapter books and early teen novels. All students will be able to participate in the book swap, even if they did not donate any books. Please drop off your donations to the library **between now and January 23.** The readers of Second Street thank you in advance!
