

# ABOUT US

The Community Office at Second Street Community School is a welcoming hub for students, families, and the wider neighborhood. We believe that when families are supported and engaged, students thrive – both in and out of the classroom. Our door is always open.

Whether you have a question, a concern, or just want to get involved, the Community Office is here for you. Together we make Second Street a place where everyone belongs, and every family matters.

## PARENT TESTIMONIALS

”

Volunteering at my child's school has been an incredibly rewarding experience. It has strengthened my connection to the community and allowed me to share meaningful moments with my children. Being there for them and supporting their school makes a lasting impact on both our family and the school community.
